Echo Youth Theatre

Echo Youth Theatre was launched in December 2017 to offer young people accessible and flexible opportunities in theatre and performance. No termly fees, no fixed commitments – just a small annual fee and access to a workshop programme and auditions.

Since launching (and before lockdown), we produced the East Anglian premiere of *A Little Princess* and our award-nominated production of *A Midsummer Night's Dream* in 2018, followed by a critically acclaimed production of *Hairspray* followed by a double-bill of plays *The Witches* and *Macbeth* in 2019, as well as co-producing *Chitty Chitty Bang Bang* with **Sound Ideas Theatre Company**.

We also organised 35 workshops, run by industry professionals and local volunteers, training over 180 young people in a range of skills, including acting, dance, puppetry, and musical theatre. We relaunched in Sep 2021, with a new home at St Edmund on Fishergate in Norwich and we had a fantastic autumn season last year. We started with our powerful production of *The Jungle Book* in October and finished with a fun-filled concert in December.

We would like to thank the **Maddermarket Theatre Trust** for their support and for trusting us to help keep this wonderful community theatre thriving.

Thank you for supporting **Echo Youth Theatre** and the **Maddermarket Theatre Trust** by coming to our production.

SYNOPSIS

Based on one of Hans Christian Andersen's most beloved stories and the classic animated film, Disney's *The Little Mermaid* is a love story for the ages.

With music by eight-time Academy Award winner Alan Menken, lyrics by Howard Ashman and Glenn Slater, and a compelling book by Doug Wright, this colourful tale will capture your heart with its irresistible songs including "Under the Sea," "Kiss the Girl," and "Part of Your World."

Ariel, King Triton's youngest daughter, lives in an enchanted undersea world and she has the most beautiful singing voice - but she wants to live on land. When she falls in love with a handsome human prince, Ariel is more determined than ever to follow Prince Eric to the world above and bargains with the evil sea witch, Ursula, to trade her tail for legs. But the bargain is not what it seems and Ariel needs the help of her colourful friends Flounder the fish, Scuttle the seagull, and Sebastian the crab to restore order under the sea.

Echo Youth Theatre are delighted to bring this show to the Maddermarket stage and hope you enjoy the show!
